

Empty Boxes Make Loads of Fun!

As your family unpacks from the move, you'll see lots and lots of empty boxes. Smilla loves empty boxes because there are so many fun ways to use them to play.

To get you started, she made a list of some of her favorite ideas:

- build a robot
- make a TV
- make a boat
- create a game
- make a mini kitchen, washer or dryer
- create a car or truck
- build a castle
- make a train

What are your favorite ways to use boxes?

Make sure you take pictures so you'll remember all of the fun you had on this move!
